

# Jupiter Itinerary

Day 0: Liftoff from Earth to Jupiter.

Day 5: Arrival at Jupiter.

Day 5: Arrival at the space station orbiting Jupiter.

Day 6:

1. 9:00 AM: Check-in at the space station.
2. 11:00 AM: Lunch at the space restaurant.
3. 1:00 PM: Tour of the space station.
4. 5:00 PM: Zero-gravity simulation at the space station.
5. 7:00 PM: Dinner at the space restaurant.

Day 7:

1. 9:00 AM: Exploration of Jupiter's moons in spacecraft.
2. 12:00 PM: Lunch at a base on one of the moons.
3. 2:00 PM: Excursion to the surface of Jupiter via virtual reality.
4. 5:00 PM: Observation of Jupiter and its massive storms.
5. 7:00 PM: Return to the space station.

Day 8:

1. 10:00 AM: Recreational activities at the space station.
2. 1:00 PM: Lunch at the space restaurant.
3. 3:00 PM: Astronomical observation experience from the space station.
4. 7:00 PM: Dinner at the space restaurant

Day 9:

1. 9:00 AM: Journey through the Great Red Spot in spacecraft.
2. 12:00 PM: Lunch at a floating base in the upper atmosphere of Jupiter.
3. 2:00 PM: Exploration of Jupiter's rings.
4. 5:00 PM: Return to the space station.
5. 7:00 PM: Farewell dinner.

Day 10: Check-out from the space station.

Day 10: Liftoff for the return journey to Earth.
